**I will be a Potter.** I will make at least 10 qualified bowls. I understand that the bowls must be first quality, not seconds or rejects. They must be made from stoneware or porcelain. They must be a functional soup bowl of 12 to 16 ounces in volume. They must have a food safe glaze and be dishwasher and microwave safe. I will commit to making \_\_\_ bowls. Or  I will make 10 bowls a month for 10 months, to help fulfill the sale of 1,000 bowls.

**Yes**, I am willing and able to make and donate at least 4 gallons of soup for you next Benton County Empty Bowls Soup Event to held on November 11, 2021.
